- Coaches must read BAL's Anti-Doping regulations and received Anti-Doping Education from the relevant ASADA resources.
- Coaches must sign the coaches declaration and be prepared to:
  - Undertake responsibility for matters concerning the coaching, training and development of athletes including ring etiquette;
  - Treat all athletes on my team equally in a personal sense and according to their training and competition requirements;
  - Maintain a 'duty of care' towards others and accountability for matters relating to training and competition;
  - Have a sound working knowledge of BAL regulations and policies, rules and coaching techniques and AIBA technical rules;
  - Ensure that any physical contact with others is appropriate to the situation and necessary for the athletes' skill development;
  - Inform the Boxing Queensland Head Coach and the Boxing Queensland Team Manager if an athlete selected falls ill or is injured;
  - Be a positive role model for all members of the team and the wider boxing community;
  - Not abuse any official, other coach or athlete but exercise a right to appeal through the proper processes provided for BAL tournaments.

Dependent on the size of the team Boxing Queensland will select the first 6 coaches to the team by a method of self selection wherein the coaches are chosen dependent on the number of boxers each coach has competing at the National Titles. Where this number is equal the coaches will be chosen by random selection criteria.

Additional coaches may be appointed by the executive committee of Boxing Queensland if found necessary to ensure we have experience and consistency.

Boxing Queensland assist coaches by subsidising the cost of attendance at the National Titles, however this is only available to those selected as a State Coach.

Previous service as a State Coach has no bearing on selection
