

Unsanctioned Event Participation.

Boxing Queensland Inc is the recognised sanctioning body for **all** Amateur boxing in Qld.

If you are a member of Boxing Qld you are **not permitted to compete** in any **unsanctioned** event.

This applies to all registered Boxers, Coaches & Officials, no exceptions!

An 'unsanctioned event' is **any Amateur boxing tournament**, event and or bout that is not listed on the **Boxing Qld** web site Calendar or list of events.

Events coordinated by the below groups are unsanctioned events.

- Sunstate Amateur Boxing League
- Australian Boxing Council (ABC)
- Masters Boxing Australia (MBA)
- World Boxing Foundation (WBF)
- Corporate Events (unless listed on the BQ calendar)
- None Boxing organisations such as kickboxing, MMA, Muay Thia etc.

Boxing Qld through their affiliation with Boxing Australia offer the only accredited coaches' qualification, Referee's qualification, judging qualification, athlete pathways and appropriate insurances, policies and procedures.

If you're unsure if the event is a sanctioned event and appropriately covered by all insurances, governances and policy's please check the BQ web site or contact Boxing Qld direct at secretary@boxingqueensland.com

A Boxing Qld affiliated club, Boxer, official or member cannot be:

- affiliated or a member of any other self-proclaimed Boxing organisation.

If a club is found to have competed in an unsanctioned event, **the club will be suspended** immediately, along with **all coaches and boxers that participated in the event**, pending an investigation into the breach of the rules.

This means:

- **Any boxer** (that didn't participate in the unsanctioned event) from that club, **will not be able to nominate or participate** in any future tournaments unless they transfer their registration to another affiliated club, or
- the club in question is reinstated with Boxing Qld at the **conclusion of the investigation**.
 - Nb: There is no timeframe for the investigation, and all investigations will be conducted on their own merits and at the full and unfettered discretion of the executive committee.

This policy is a state (All states), National and International policy.
